Contents:

2	Left Side Hinges	24	5/16" x 1" Gr5 Plated Hex Bolts
2	Right Side Hinges	24	5/16" Flat Washers
4	Brass Oilite Bushings		

1/1 7/20

Please Note: If you are going to re-paint or powdercoat these to match your rig, remove the Brass Oilite Bushings before refinishing. Paint will not stick to the oil impregnated bushings or the surrounding area and baking the bushings will cause the bushings to express all of their oil.

These hinges are designed to be mounted differently than stock. The pin (male) side will actually mount to the door, facing downward. The female side mounts to the door post.
